

# Baby Sea Turtle's release.

(June to November )

**Program: N4**

## **Description:**

Sea-turtles come from remote areas to nest to our sandy areas . Sea turtles had walked the earth with dinosaurs, now they are vulnerable to go extinct , Join us and the Marine Biologist to help to release baby sea turtles , discover how they navigate , feed , courtship and mate .through your participation you help to preserve them.

**Brief description:** We will pick you up at your Hotel and go to one of the oldest sea-turtle camp where the NGOs biologist will receive us , give us directions and go hands on to help to release baby sea-turtles then we will drive back to your hotel , optional enjoy dinner at a local restaurant then bring you back to your hotel.

**Includes:** Transportation, guide, bottle of water, park fee's , permits, use of equipment .

**Does not include:** tips, donations

**Price per person:** US\$100 children US\$80

W/Dinner US\$135 children US\$110
